List of the documents required from international authors to submit a manuscript to al "Kibernetika ta Systemnyi Analiz".

(Authors from Ukraine please read http://www.kibernetika.org/docs/listUA.pdf where you can find the alternative rules valid for Ukrainians.)

A. The following documents are sent to the Editorial Board by email within the paper submission process

1. The manuscript text in the special reviewer-oriented format (size: A4; edge offsets: 2.5 cm, line spacing: double; font: Times New Roman 12 pt or bigger; PDF with embedded fonts).

2. The paper title, author(s) full name and abstract in Ukrainian, English, and Russian; the paper UDC number (see https://en.wikipedia.org/wiki/Universal_Decimal_Classification).

3. Short information about each co-author (affiliation is required); main contact information including the primary email for correspondence.

4. License Agreement (use the template http://www.kibernetika.org/docs/agreementEn.pdf).

5. Article-level declaration (applied for each author) http://www.kibernetika.org/docs/DeclarationEN.docx).

B. The following documents are sent to the Editorial Board by email after receiving the publication approval from reviewers.

1. Word-file of the manuscript including all the previously provided abstracts and author information (formulas in MathType or Equation Editor 3.0).

2. All figures included in the text are additionally provided as separate files in black-and-white TIFF format with 750 DPI resolution or Grayscale TIFFs with 200 DPI resolution. Color images are not acceptable. Image size is not greater then 12x20 cm.

3. Confirmation of the author's annual subscription to the journal (required as the method of the organization fee coverage, http://www.kibernetika.org/Subscribtions.html).
